

Public Notice

The Solid Waste Local Enforcement Agency (LEA) has received an application to amend the Report of Facility Information (RFI).

Date of Notice: March 19, 2025

Facility Name: Watt Avenue Recycling and Material Recovery Facility (SWIS No. 34-AA-0237)

Address: 4741 Watt Avenue, North Highlands, CA 95660

Date LEA Received Application: February 21, 2025

Date LEA Accepted Application: March 19, 2025

Project Description: The owner/operator of the Watt Avenue Recycling and Material Recovery Facility has submitted an RFI Amendment Application Packet proposing design, operational, and/or updates to the facility's Transfer Processing Report (TPR). The proposed changes and updates include but are not limited to:

- Updates to management personnel and emergency contact information.
- Minor edits to equipment type and number of personnel.
- Change location of waste disposal.

LEA Determination: The LEA has reviewed and accepted the RFI Amendment Application Packet after determining the proposed changes and updates do not conflict with the existing Solid Waste Facility Permit, meet applicable State Minimum Standards, and are consistent with all California Environmental Quality Act (CEQA) documents.

Availability of Additional Information: A copy of the RFI Amendment Application Packet is available for review by appointment at the Sacramento County Environmental Management Department, 11080 White Rock Road Suite 200, Rancho Cordova, CA 95670. Public documents may also be requested by submitting a Public Records Act Request at <https://saccounty.nextrequest.com>

Appeals Process Information: For information on appealing the LEA's acceptance of the RFI Amendment, please contact LEA Supervisor Rachel Gillis at (916) 876-7279 or by email at gillisra@saccounty.gov.
