Everyone MUST wear a face covering properly in order to protect others from COVID-19

➔ *Protect yourself, your teammates, and your customers* ⬅

- **Do wear a face covering correctly for maximum protection**
- **Do make sure the face covering is covering both your nose and mouth**

- **Don't put the mask around your neck or below the nose.**
- **Don't remove the mask to talk on a phone.**
- **Don't touch the mask. If you must touch the mask, wash your hands and/or use hand sanitizer to disinfect.**
