Introduction

The Sacramento County Environmental Management Department (EMD) is certified by the California Department of Resources, Recycling, and Recovery (CalRecycle) to act as the Local Enforcement Agency (LEA) within the Cities and County of Sacramento. The LEA issues permits and enforces state laws and regulations at solid waste facilities. Please be advised that the LEA received and approved a Report of Facility Information (RFI) Amendment application for California Waste Recovery Systems.

Description of project and LEA's determination

California Waste Recovery Systems is a Large Volume Transfer/Processing Facility (MRF) located at 175 Enterprise Court in Galt, CA 95632 (APN 150-0011-075-0000), currently operating in compliance with Solid Waste Facility Permit 34-AA-0231 to receive commingled recyclables, mixed/municipal solid waste, green waste, and construction & demolition debris from either Cal-Waste driven trucks or vehicles from other franchised collection or transportation companies.

On February 24, 2021, the LEA received an RFI Amendment application to amend the facility's Transfer Processing Report (TPR). The changes to the TPR include: updating Section 17415.2 – Fire Fighting Equipment and the Fire Control and Mitigation Program in Appendix E to reflect the addition of a new, stand-alone fire suppression system, the reconfiguring of office space by adding additional restrooms, a break room, and a locker room to an existing office space within the facility, and updating the facility site maps and figures to reflect the changes.

The LEA finds that the proposed changes are consistent with all applicable certified and/or adopted California Environmental Quality Act (CEQA) documents and applicable State Minimum Standards, pursuant to 27 CCR and 14 CCR, and does not conflict with the terms and conditions in the current Solid Waste Facilities Permit. The LEA accepted and approved the amendment on March 15, 2021.

Where copy of application can be reviewed

A copy of the approved application for the RFI Amendment is available for public review by appointment in the LEA office located at 10080 White Rock Rd, Suite 200, Rancho Cordova, CA 95670. Public documents may also be requested by submitting a Public Records Act Request by visiting <https://saccounty.nextrequest.com>

LEA contact Information

If you have any questions after reviewing the above information or would like to schedule an appointment to review the RFI Amendment package, please contact Katie Miller at (916) 206-5162 or by email at MillerK@saccounty.net.

Appeal Process Information

For information on the appeal process to challenge the LEA's approval of the RFI Amendment, you may contact Katie Miller at (916) 206-5162.
